

Resume

Hello, I'm Agung Tri Prasetyo

Tweet

About about • 14s

I am usually called as auf and an IT enthusiast. I ever learned about Artificial Intelligence (AI) when I was still joined in Robotics Laboratorium Campus (1 year). Lately, I am learning about Web Development and Human Computer Interaction (UI/UX) since I got those courses in last 2020. For now, I'm still learning about Frontend Framework

Experience @experience • 14s
